Hybrid — In-person & Virtual

2nd International Conference on Artificial Intelligence Security and Networking

26–27
Nov 2026

Al Akhawayn University
Ifrane, Morocco

About CAISN'26

CAISN'26 brings together researchers, academics and industry professionals to share the latest advances in Artificial Intelligence, Cybersecurity and Networking. Authors are invited to submit original and unpublished papers covering both theoretical and practical aspects of AI, security, networking, wireless communications and advanced information systems.

Topics of interest

Track 1: AI Applications and Intelligent Systems

Track 2: CyberSecurity and Privacy

Track 3: Computer Vision

Track 4: Robotics and Autonomous Systems

Track 5: Mobile Wireless Networks

Track 6: Modelling and Simulations

Track 7: Big Data and Analytics

Track 8: Cloud Computing and Virtualization

Track 9: Transformative Educational
Technologies in the Digital Age

Track 10: IoT and Smart Cities

Important dates

Paper submission
31 July 2026

Notification of Acceptance
30 September 2026

Camera Ready & Registration
30 October 2026

Conference Dates
26–27 November 2026

Submit your paper

<https://caisn.ma/>

Submission

Original, unpublished manuscripts of 6–8 pages using the Springer template. Each paper is reviewed by at least three PC members.
